General George C. Moran

General George C. Moran, Adjutant General of Michigan, is seen speaking at a podium during a meeting of the National Guard.

Jack Pine's Stump

I have read with interest Major General George C. Moran's letter to Jack Pine last week's Avian. The Adjutant General of Michigan has devoted a great deal of space to explaining that the members of the National Guard are heroes and served with valor and distinction before, during and after the Korean War. I agree with him most wholeheartedly. Jack Pine would be the very last person to criticize those men who fought, and sometimes died, or took from them any of the glory that is due. Such a thing was never mentioned in my column of three weeks ago.

But first things first: General Moran is apparently under the current misapprehension being propounded by the National Guard Association that Defense Secretary C. E. Wilson called the National Guard a bunch of draft dodgers. A man of the ability and position of the Adjutant General should be aware the Secretary Wilson said that during the Korean War the National Guard was a "sort of draft dodging business." He did not call the Guard draft dodgers (nor did Jack Pine). I am sure that General Moran must know that Secretary Wilson was speaking on the whole issue of Guard training and the necessity of a longer training period for Guard recruits. Mr. Wilson's remarks, as I understand them were in relation to the recruiting practices used by the National Guard during the Korean conflict. Taken out of context, as the National Guard Association chose to take them, Mr. Wilson's remarks were made to seem insulting.

Jack Pine is no military tactician, but he knows that General Moran knows that a frontal attack can sometimes be disastrous, and that in order to carry the field, a flanking attack is sometimes best. The Guard, in its attempt to defeat the plan to have recruits take six months training, is throwing all of its forces into a flanking movement on Secretary Wilson and the "draft dodging" issue. This is for publicity only, and really doesn't do the Guard any good. The National Guard recruiting practices during the Korean War indicated that a younger joining the Guard had a good chance of escaping Korean duty. Said General Moran, "It is impossible to see the same National Guard recruiting practices, their overabundance over-stressed the deferments granted to men who participated satisfactorily in National Guard training." It is not "entirely" possible... it's a pretty well established fact, isn't it General?

I am no person to defend the Department of Defense of the United States Army, but I could not help but wonder WHY the Guard is upset about this matter. The Guard needs to feel that the compulsory six month training program will hurt this recruiting program. Jack Pine wonders just what about the Guard recruiting program is so special that it needs to be defended so much. Can the answer be that a partly trained soldier isn't as apt to be sent to war as a fully trained one? Wouldn't most boys who want to stay home, to stay in school, to stay at work, or to stay out of the Army, prefer the National Guard with its one-to-two week and two-weeks-a-summer program?

Don't be fooled by this "draft dodging" issue. Secretary Wilson never called them "draft dodgers." It is what the National Guard Association SAYS he called them. In short, it is the Guard itself who calls its draft dodgers... no one else.

According to a special Gallup poll conducted last week, "The weight of sentiment among all adults interviewed... lines up on the side of Wilson in his claim that some... used the National Guard to avoid the draft." According to the Agreement with the Secretary's charges stem from personal experiences of persons who knew of young men who joined the Guard to avoid the draft. According to the United Press, Marine Major General Melvin Maas, speaking for several reserve officer organizations said the National Guardsmen faced the risk of being considered draft dodgers unless they had more training. And in Washington two National Guard Generals broke ranks with the mass of the Guard to declare that the new plans for six months training would not only be good but were necessary. And one California Guard unit, the 49th Division is not taking any recruits unless they do sign up for six months. Enlistments have declined, not lost under the new plan. And William Brainer, a retired Army Aviator and a former Michigan Guard unit, hopes that the Guards will stand with distinction to this challenge: "I have

Bill Weaver placed 24th, and Bill Weaver placed 28th out of 33 boys competing. Among the girls Judy Keyton finished 17th on the combined races, out of 20 contestants. Besides those named above, Gary Gust, Pete Olson, Louis Vetro, Mike Sheehy, Roy Lovely and Ward Baron attended the meet. Vikings Lose Final Game

67 to 59

The Grayling High Vikings won their 1956-57 basketball season by dropping a game to East Jordan by a 67 to 59 score last Friday night. The Red Devils were really "hot" and just couldn't seem to miss a shot at the basket. Grayling stayed with them during the first half with the score tied at 32 at intermission time. In the last minutes of play, a sharp shot from East Jordan won the game for them.

In other action in the conference last Friday night, the league winners, Boyne City, tripped the Mancelona Ironmen 50 to 29 to show Mancelona into a third place tie with Harbor Springs who defeated Charlevoix 56 to 39. The season's record for the Red Vikings from Charlevoix is thought to be the poorest they have ever posted. The Grayling Vikings blasted Pellston 89 to 68 which left the Hornets winless for the entire season. With the exception of Pellston and possibly Charlevoix, the Northern Class C Conference was just about the most evenly balanced in its history. Any team could dump another on a given night. In witness is the four losses taken by the Vikings, one was by Boyne City, the champions, two were by East Jordan, who finished 13th and 22nd by Mancelona who wound up in a tie for third.

Friday night, the Vikings started off by taking a 16 to 12 first period bulge over the Red Devils. East Jordan battled back in the second period with a 4 point edge; 22 to 18 to knot the Grayling Kats at half time. The Red Devils hit for 16-40 Grayling's 14 to lead 48 to 46 at the final period start. The lead changed hands several times during the final eight minutes with East Jordan scoring 10 to Grayling's 13 to tie the game. Co-captains Bob Strong with 19 on 5 field goals and 9 out of 10 foul shots and Dave Lowe with 18 on 4 field goals and 10 straight free throws paced the Vikings attack. Aubrey Welch added 8 points and Bill Martin and Tony Doremire 7 each.

The Red Devils got four players into the double figures with Larry Woodcock leading the way with 28. Gary Chahk 14, Ray Walker 12 and Gene Richards 11. Grayling scored on 17 field goals and 25 free throws. East Jordan hit on 26 field goals with the majority of them "long toms" and 15 free throws.

The little Vikings came through with a 50 to 42 victory to leave their season's record at 8 wins and 9 losses. The Grayling team serves took a first period 14 to 12 lead but the little Red Devils reversed the scoring in the second period to leave the score 26 all at halftime. In the third period, the Vikings scored on 17 field goals and 10 to 8 to hold a 38 to 22 edge as the game went into the final quarter of play. The little Vikings came through with 18 big points to the little Red Devils' 6 to win going away.

Oscar Hornung with 13, Don Leach with 12 and New Allison with 10 were the top scorers in the Grayling reserves. Jim Kessler added 8, Gary Springs 5 and Tom Galvani 2. Sherman with 17 was high for the little Red Devils. The little Vikings hit on 15 field goals and 30 out of 31 free throws with 14 field goals and 14 out of 23 gratis shots.

Grayling, Mancelona, Kalkaska And Roscommon Vie For District Crown

Tourney To Feature Three Separate Games

District Basketball Tournament No. 70 gets underway in the new Grayling High Gymnasium Wednesday night of this week at 8 p. m. when the Mancelona Ironmen and Kalkaska Blue Blazers clash in the first of three games. Mancelona has defeated Kalkaska twice during the regular season play by the scores of 59 to 45 and 57 to 45. The Ironmen finished in a tie for third with the Harbor Springs Rams in the Northern Class C Conference while the Blue Blazers finished near the bottom of their conference. However, comparative scores and other data sometimes go out the window during the final game of the season. Mancelona is the defending champion in the district tourney having defeated Grayling in the final game last year. The Ironmen should win over Kalkaska.

The Roscommon Bucks, a highly regarded outfit this year with only one defeat on their record against the Grayling Vikings at 8 p. m., Thursday night. The Bucks are conference champions of the Northern Michigan Class C Conference while the Grayling Vikings were second in the Northern Michigan Class C Conference. Teams from the two different conference have not clashed this year so it is impossible to determine the comparative strength of the two loops. In past years Northern Class C Conference teams have seemed to be more powerful than their neighbors to the east. The game should be a ding-dong affair and with the battle on their own floor, the Vikings should come up with a victory on a close, close score.

The winners of the Wednesday night fray and the Thursday night game will lock horns at 8 p. m. Saturday night for the championship, the trophy and the right to move on into the Regionals at Petoskey the following week.

Frank Bond, Grayling High science teacher has been named as tournament manager. Tickets will be handled by Elmer Fenton with Ed Smith as official timer and Bob Bovey, official scorer. Leon Hinkley of Alpena and Ted Bennett of Mackinaw City have been named by the State Athletic Association to referee the tournament games here. Lewis Stillwagon will handle the public address system.

Tickets are available now at the school office or may be purchased at the door. Admission has been set at 75 cents for adults and 50 cents for students. These prices will prevail for all three games.

Frederic Eagles Finish Perfect Season With 18 Straight Wins

Eagles 50, Central Lake 38 In First Tourney Game

The Frederic Eagles finished their first perfect basketball season last Tuesday night as they overthrew Alpa at Alpa by a 50 to 38 score. The victory string includes 11 conference victories in the Snowland Class D Conference, 3 wins in a Christmas holiday conference tournament and 4 triumphs over non-conference teams. In the other two regular season games, Frederic won quite handily. Their second opponent will, no doubt, be Boyne Falls who have a good team this year and could upset the victory-minded lads from Frederic. If the Eagles can take in the third quarter, the Eagles scored 22 points to their hosts' 9 and the final stanza of play hit for 18 to Alpa's 8.

Larry Baynham with 20 points was top scorer for the Eagles with Wayne Winston, Bruce Welch and Bob Pratt also hitting the double figures with 18, 16 and 15 points respectively. Alfie Hummel added 8, Lewis Johnson 6 and Bill Johnson 2.

The preliminary game was a junior affair and the Frederic team took a 19 to 9 licking. The host team scored for a 2 to 0 lead at the end of the first quarter and held a 9 to 3 halftime advantage. The score in the final two quarters was 4 to 2 and 6 to 4, both in favor of the Alpa juniors. Jack Smith with 6 and Ron Merries with 2 led the Frederic Junior High scoring.

In tournament play this week, the Eagles will take on Central Lake at 9:15 Tuesday night, a team that they have defeated three times during the regular season. If the Eagles win, they will meet the winner of the Bell-Boone-Falls game at 8:45 Thursday night. The championship game will be played on Saturday night at 8 p. m. Gaylord St. Mary's who also has a 18 straight victory streak this year.

Churches Unite In Lenten Observance

For the third year, the various churches of the city are uniting in a Lenten observance. The first of the Lenten observance meetings, the first of 32 Wednesday, and continuing through the entire season, with the concluding service on Wednesday of Holy Week. Held in the central location, the Lenten observance will be conducted by the Rev. Mr. C. Puffer at 1:50, continuing for half an hour of prayer and meditation. The public school cooperates with this program by excusing senior high students who wish to attend. On succeeding Wednesdays, pastors of the other participating churches will conduct the service in turn, and a cordial invitation is extended to all Christians to attend any or all of these union services.

SERVICES HELD FOR CARL J. JENSEN

Funeral services for Carl John Jensen, 69, were held Friday, March 1, at 2:30 p. m. at the Michaelson Memorial Church. Mr. Jensen passed away February 25 at Mercy Hospital following a cerebral hemorrhage.

The Rev. R. C. Puffer officiated at the services. Mrs. Floyd Taylor played the organ, and sang two numbers, "Nearer My God to Thee," and "Rock of Ages." Interment was at Elmwood Cemetery, with members of the Masonic Lodge acting as pallbearers.

Omitted in the previous list of survivors were two grandchildren, sons of Frank Jensen of Wayne.

Among those here to attend the funeral were Mr. and Mrs. Frank Jensen of Wayne, Mr. and Mrs. William Jensen, Mr. and Mrs. Harold Jensen, Mr. and Mrs. John Jensen, Mr. and Mrs. Albert Colman, Mr. and Mrs. Harold Burton of Pontiac, Mr. and Mrs. Wayne Austin of Bath, Donald Jensen of Lansing, Mr. and Mrs. Larry Burgess of Olivet, Mrs. Robert White of Auburn and Mrs. and Mr. Jack Coffey of Pontiac, and Mr. and Mrs. Kenneth Eubanks of Bay City.

Red Cross On Hand To Aid 336,000 Sufferers In 1955-56

If nature follows a typical pattern this year, some 300 disasters—hurricanes, floods, tornadoes and fires will strike the nation. They can be expected to bring death, injuries, loss of homes and livelihood to many people.

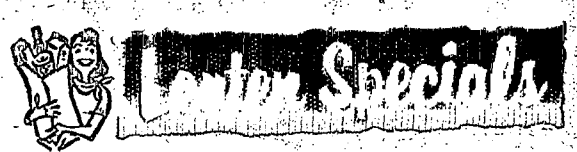

Catastrophes of 1955-56 included great floods on the West and East Coasts, tornadoes in the Midwest and South, hurricanes that mauled Puerto Rico and Louisiana, an explosion in Utah and the dramatic sinking of the Andrea Doria.

The American Red Cross provided help to individuals and families in each of the disasters listed above. And for each major disaster there were scores of smaller ones which also saw the Red Cross in action.

In the fiscal year which ended June 30, 1956, Red Cross disaster expenditures were the highest in its history. Approximately \$33,000,000 was spent to bring relief to the disaster-stricken. Emergency aid was given to 336,000 persons and post-emergency help to 35,000 families.

Without your donation this tremendous task could not have been accomplished. You are the Red Cross.

MR. and MRS. KRUMREI BOWLING TEAMS

Mr. and Mrs. Harry Krumrei entertained members of the bowling teams sponsored by Mr. Krumrei, and their wives and husbands at another of their fabulous dinner parties last Wednesday evening.

Some 100 people were present at the Legion Hall to enjoy the genial hospitality of the hosts. Not content with merely treating their guests with an abundance of excellent food, Gen. and Harry had engaged a magician for the entertainment of those present and also provided music for dancing. Both were very much enjoyed.

Iris, daffodils and other flowers gave a touch of spring to the tables at which the guests were seated.

faith that the Guard will rise to the challenge and will attain a state of combat readiness and effectiveness required by the necessities of this critical hour."

Jack Pine is no politician, but he does know that today's warfare is highly technical, requiring skilled men, well and thoroughly trained. If the Department of Defense of this country feels that the program of the National Guard is not up to this changed type of warfare, then Jack Pine is not going to be the one to take exception. I place my faith with those in the Federal Government and the standing Army who are charged with the preparedness of this country in case of war. I do not place it with the political desires of those who want to further their own group interests. In that context, I still side with Secretary Wilson, and still think he is right about Guard recruiting. And will place my trust in the Department of Defense... Major General George C. Moran to the contrary notwithstanding.

Blue Cross Shield.

Minutes old...

Protected already

Meet the youngest member of Michigan Blue Cross (now over 3 1/2 million strong!).

He's only minutes old... and already he's entitled to the same fine benefits his mom and dad get.

He doesn't have to wait thirty days... ten or even seven... for coverage to become effective. It's effective immediately.

Immediately's the time he's most likely to need it, too... during those first, often critical days of a baby's life.

And—because he has Comprehensive Blue Cross, he'll get all the basic hospital services he needs... completely paid for... and his dad won't have to bother with claims or fixed cash benefits that may fall short of actual hospital costs.

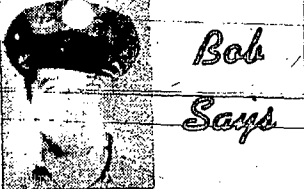

That's a wonderful thing about Blue Cross... the NO-DOLLAR-LIMIT feature.

Right in the contract you will note that Blue Cross covers you on a broad number of hospital services without dollar limit... and this explains why only Blue Cross can cover so many hospital bills in full.

With Blue Cross for hospital care, and the companion plan, Blue Shield—for doctor care—you have the most dependable protection obtainable. Worth having? Just ask someone who has it... and who's used it!

TUNA BISCUIT PIE

TUNA BISCUIT PIE
 1 can oven-ready biscuits
 4 slices process American cheese,
 3 x 4 x 1/2-inch thick
 7-oz. can tuna, drained and flaked
 1/2 cup Pet Evaporated Milk
 1 can tomato soup
 1/2 cup Pet Evaporated Milk
 Separate biscuits. With fingers, press 6 biscuits completely over bottom of a greased 9-inch pie pan. Cut rest of biscuits in two pieces to form half rounds. Stand pieces, cut side down, around edge of pan. Press the pieces against side of pan so there are no holes between them. Cover bottom of biscuit shell with cheese slices. Mix in a 1-quart bowl the tuna and 1/2 cup milk. Spread tuna mixture over cheese. Bake near center of 475 oven (extremely hot) for 10 minutes, or until biscuit shell is golden brown. Meanwhile, mix in a 1-quart saucepan the soup and 1/2 cup milk. Heat until steaming hot, but do not boil. Cut pie into 4 wedges and serve with the hot tomato sauce.
